NIPES Engineering and Science Scholarship Recipients

After a thorough review of all applications, the selection committee and management of NIPES have finalized the list of scholarship recipients. Originally planned for five awardees, the committee and management decided to extend the scholarship to **seven outstanding students** due to the exceptional quality of applications received. As a result, the total scholarship award has been increased from **₦1,000,000 (One million naira) to ₦1,400,000 (One million four hundred thousand naira)**. We are pleased to announce the following winners of the **NIPES Engineering and Science Scholarship 2025**:

No.	Name	ID	Sex	Email	University	Course of Study
1	Hammed Oluwafemi Omotosho	A01-000545	M	omotoshooluwafemi09@gmail.com	University of Ibadan, Oyo	Medicine and Surgery
2	Israel Opeyemi Oduniyi	A01-000284	M	opeyemioduniyi1000@gmail.com	University of Lagos	Chemical Engineering
